FIRST AMENDED COMPLAINT

Now come the Plaintiffs and for their First Amended Complaint against the above-captioned Defendants (collectively “Defendants”) they allege the following:

PARTIES

1. Plaintiff Sound Energy Company, Inc. (“Sound Energy”) is a corporation organized under the laws of the State of Ohio and is authorized to do business therein. At all times relevant, Sound Energy was authorized to do business in the State of Ohio.

2. Plaintiff Bruce A. Levengood is an Ohio resident.

3. Plaintiff Robert F. Timmerman is an Ohio resident.

4. Plaintiff Michael L. Demattio is an Ohio resident.

5. Plaintiff Charles A. Baker is an Ohio resident.

6. Plaintiff Cassandra McCune, Individually and as Executor of the Estate of Michael McCune, is an Ohio resident.

7. Upon information and belief, Defendant Ascent Resources – Utica, LLC (“Ascent”) is an Oklahoma limited liability company registered as a foreign limited liability company to do business in the State of Ohio. It has engaged in sufficient contacts in the State of Ohio as described below establishing personal jurisdiction in Ohio.

8. Upon information and belief, Defendant Carrizo (Utica) LLC (“Carrizo”) is a Delaware limited liability company registered as a foreign limited liability company to do business in the State of Ohio. It has engaged in sufficient contacts in the State of Ohio as described below establishing personal jurisdiction in Ohio.

VENUE

9. Venue is appropriate in this Court pursuant to Civ.R. 3(B)(3), (5), and (6).

SOUND ENERGY OIL AND GAS LEASES

10. Sound Energy is an Ohio oil and gas exploration and production company. Sound Energy owns numerous oil and gas leases covering real property throughout the State of Ohio, including real property located in Guernsey County, Ohio.

11. In 2012, Plaintiffs were joint lessees for several oil and gas leases covering properties in Guernsey County, Ohio, with said leases being more particularly identified and described in a June 2012 assignment of overriding royalty interests between Sound Energy and the other Plaintiffs, a true and accurate copy of which is attached hereto as **Exhibit 1** and made a part of this First Amended Complaint. The oil and gas leases covered by that assignment, which are the subject matter of this lawsuit, shall be referred to as the “Sound Energy Leases.” The Sound Energy Leases are described within the exhibit attached to the June 2012 assignment between Sound Energy and the other Plaintiffs.

12. As the lessee of the Sound Energy Leases, Plaintiffs owned the sole and exclusive right to produce the oil and gas associated with the leaseholds covered by the Sound Energy Leases.

THE PLAINTIFFS' OVERRIDING ROYALTY INTEREST

13. In June of 2012, Sound Energy assigned certain interests in the Sound Energy Leases to the other Plaintiffs. [*See* Exhibit 1].

14. Through Exhibit 1, a written instrument entitled “Partial Assignment of Oil and Gas Overriding Royalty Interest,” Sound Energy assigned an overriding royalty interest in the Sound Energy Leases to the other Plaintiffs (the “Plaintiffs’ ORRI”). Plaintiffs’ ORRI is “payable out of all oil, gas and associated hydrocarbons produced, saved and sold, on a lease by lease basis, from the Leases [Sound Energy Leases] and shall be equal to the difference between” twenty percent (20%) and the sum of all existing burdens on the Sound Energy Leases, including royalty interests.

15. Each of the Plaintiffs, with the exception of Sound Energy, obtained a fractional portion of the Plaintiffs’ ORRI, with each fractional portion stated within the assignment.

16. The Plaintiffs’ ORRI applied to the Sound Energy Leases, which were identified within and located on Exhibit A to the assignment document. The Plaintiffs’ ORRI also applied to “any replacement or substitutes” for the Sound Energy Leases.

17. The assignment of the Plaintiffs’ ORRI contractually obligated Sound Energy and its successors and assignees to subject any and all future oil and gas leases which replaced the Sound Energy Leases, or acted as substitutes therefor, to the Plaintiffs’ ORRI.

18. The assignment between Sound Energy and the other Plaintiffs was recorded in Guernsey County on September 27, 2012, at OR Book 494, Page 1395.

SOUND ENERGY ASSIGNS SOUND ENERGY LEASES TO CARRIZO

19. On October 16, 2012, Plaintiffs assigned portions of some of the Sound Energy Leases to Carrizo. A true and accurate copy of that assignment is attached hereto as **Exhibit 2** and made a part of this First Amended Complaint.

20. Specifically, within the October 2012 assignment, the Plaintiffs assigned the Plaintiffs' entire working interest in those Sound Energy Leases covered by this assignment for those geological formations from the base of the Clinton formation to the center of the Earth. That portion of the geological formation is often referred to as the "deep rights" of an oil and gas lease.

21. On June 11, 2014, Plaintiffs assigned portions of some of the Sound Energy Leases to Carrizo. A true and accurate copy of that assignment is attached hereto as **Exhibit 3** and made a part of this First Amended Complaint.

22. Specifically, within the June 2014 assignment, the Plaintiffs assigned the Plaintiffs' entire working interest in the "deep rights" for those Sound Energy Leases covered by this assignment.

23. As of June 2014, Carrizo was the lessee of the deep rights for the Sound Energy Leases.

24. As of June 2014, the Plaintiffs were the lessees of the shallow rights for the Sound Energy Leases.

CARRIZO OBTAINS LEASES ON PROPERTY SUBJECT TO SOME OF THE SOUND ENERGY LEASES

25. In November of 2016, Carrizo entered into several oil and gas leases with the landowners of the property covered by some of the Sound Energy Leases ("Carrizo Leases"). True and accurate copies of the recorded memorandums of oil and gas lease for the Carrizo

Leases are attached hereto collectively as **Exhibit 4** and made a part of this First Amended Complaint. Upon information and belief, Carrizo did not record the Carrizo Leases and therefore, the Plaintiffs do not possess copies of those leases.

26. Because the Carrizo Leases would replace or be substitutes for some or all of the Sound Energy Leases, the Carrizo Leases are subject to the Plaintiffs' ORRI and Carrizo was and is obligated to recognize that the Carrizo Leases are subject to the Plaintiffs' ORRI.

**CARRIZO ASSIGNS SOUND ENERGY LEASES AND CARRIZO LEASES TO
ASCENT**

27. Upon information and belief, Carrizo and Ascent entered into a purchase and sale agreement dated August 31, 2017.

28. Upon information and belief, Carrizo and Ascent's August 31, 2017 purchase and sale agreement provided that Carrizo would sell certain leases and assets to Ascent. Upon information and belief, some or all of the Sound Energy Leases and the Carrizo Leases were part of the assets covered by Carrizo and Ascent's August 31, 2017 purchase and sale agreement.

29. On November 22, 2017, Ascent and Carrizo recorded a document entitled "Assignment, Bill of Sale and Conveyance" at OR Book 552, Page 1175 of the Guernsey County Recorder's records (the "Ascent-Carrizo Assignment"). A true and accurate copy of that document is attached hereto as **Exhibit 5**.

30. Upon information and belief, the Ascent-Carrizo Assignment was made effective April 1, 2017.

31. Upon information and belief, the Ascent-Carrizo Assignment was prepared, executed, and recorded pursuant to Carrizo and Ascent's August 31, 2017 purchase and sale agreement.

32. Carrizo assigned its interest in some or all of the Sound Energy Leases to Ascent within the Ascent-Carrizo Assignment.

33. Carrizo assigned its interest in the Carrizo Leases to Ascent within the Ascent-Carrizo Assignment.

34. Because the Carrizo Leases would replace or be substitutes for some or all of the Sound Energy Leases, the Carrizo Leases are subject to the Plaintiffs' ORRI and Ascent, as assignee of Carrizo, is obligated to recognize that the Carrizo Leases are subject to the Plaintiffs' ORRI.

35. By assigning the Carrizo Leases, the Ascent-Carrizo Assignment disparages Plaintiffs' title to the Sound Energy Leases by claiming that the Carrizo Leases should take precedence over the Sound Energy Leases.

**ASCENT OBTAINS LEASES ON PROPERTY SUBJECT TO SOME OF THE
SOUND ENERGY LEASES**

36. Upon information and belief, while the Ascent-Carrizo deal was progressing and being finalized, Ascent was in contact with several of the landowner-lessors of some of the Sound Energy Leases.

37. Upon information and belief, Ascent contacted those landowner-lessors for purposes of securing new oil and gas leases in Ascent's name.

38. In November of 2017, Ascent entered into several oil and gas leases with the landowners of the property covered by some of the Sound Energy Leases ("Ascent Leases"). True and accurate copies of the recorded memorandums of oil and gas lease for the Ascent Leases are attached hereto collectively as **Exhibit 6** and made a part of this First Amended Complaint. Upon information and belief, Ascent did not record the Ascent Leases and therefore, the Plaintiffs do not possess copies of those leases.

39. Because the Ascent Leases would replace or be substitutes for some or all of the Sound Energy Leases, the Ascent Leases are subject to the Plaintiffs' ORRI and Ascent is obligated to recognize that the Ascent Leases are subject to the Plaintiffs' ORRI.

40. Upon information and belief, Ascent claims that the Ascent Leases are the sole leases for their respective leaseholds, to the exclusion of the respective Sound Energy Leases. Said claim disparages the Plaintiffs' title to their interests in the Sound Energy Leases, including the Plaintiffs' ORRI.

ASCENT WRONGFULLY REFUSES TO RECOGNIZE THE PLAINTIFFS' ORRI

41. Upon information and belief, Ascent has included the Carrizo Leases and Ascent Leases in several oil and gas production units: (1) the HOOP LND GR 1H (API #34059244390000); (2) the HOOP LND GR 2H (API #34059244430000); (3) the HOOP LND GR 3H (API #3405924444000); (4) the HOOP LND GR 4H (API #34059244420000); and (5) the HOOP LND GR 5H (API #34059244410000). These oil and gas production units shall be referred to collectively as the "Well Units." There may be other oil and gas production units drilled, operated, or otherwise owned, in any percentage, by Ascent, which contain some or all of the Sound Energy Leases, Carrizo Leases, and/or Ascent Leases. These additional oil and gas production units, whose identity is within Defendants' possession, are included in the term "Well Units."

42. Upon information and belief, Ascent has also included some of the Sound Energy Leases in the Well Units.

43. In November of 2018, Plaintiff Bruce A. Levengood contacted Ascent regarding the division orders for the Well Units. A well unit's division order will show the royalty owners', including owners of overriding royalty interests, respective interest in the well's production.

44. Plaintiff Bruce A. Levengood questioned Ascent as to why Ascent was not accounting for the Plaintiffs' ORRI in all of the Sound Energy Leases.

45. Ascent told Plaintiff Bruce A. Levengood that he and the other Plaintiffs did not have an overriding royalty interest in several of the tracts covered by several of the Sound Energy Leases because of the Carrizo Leases and Ascent Leases. Ascent's position is that the Carrizo Leases and Ascent Leases are valid for their leaseholds to the exclusion of the respective Sound Energy Leases. Furthermore, Ascent claims that Plaintiffs' ORRI does not attach to the Carrizo Leases and Ascent Leases.

46. Ascent's refusal to recognize the Plaintiffs' ORRI in all of the Sound Energy Leases, Carrizo Leases, and Ascent Leases is wrongful and has caused and is continuing to cause significant damages to the Plaintiffs.

COUNT ONE

(Quiet Title)

47. Plaintiffs reallege and fully incorporate all allegations in this First Amended Complaint as if fully rewritten herein.

48. Plaintiffs are the owners of the Plaintiffs' ORRI.

49. Plaintiffs are the owners of the shallow rights for the Sound Energy Leases.

50. The Plaintiffs' ORRI affects all of the Sound Energy Leases, the Carrizo Leases, and the Ascent Leases, and all of the oil and gas produced from the Sound Energy Leases, the Carrizo Leases, and the Ascent Leases.

51. Defendants all claim to own interests in the Carrizo Leases and Ascent Leases which may be adverse to Plaintiffs' interest in the Sound Energy Leases, the Carrizo Leases, and the Ascent Leases.

52. Defendants may claim that the Plaintiffs' ORRI is not effective and/or not enforceable against them as to the Carrizo Leases and Ascent Leases.

53. Plaintiffs request this Court to quiet title to the Plaintiffs' ORRI by finding that the Plaintiffs' ORRI is valid, covers the Carrizo Leases and Ascent Leases, and is binding on the Defendants.

54. Furthermore, Plaintiffs are entitled to a full accounting as to what interest each of the Defendants claims to presently own in any of the Sound Energy Leases, the Carrizo Leases, and the Ascent Leases, a full accounting of all oil and gas wells drilled under those leases, a full accounting of all production obtained by the Defendants under those leases, and a full accounting of all payments that Defendants made or should have made under those leases. Furthermore, Plaintiffs are entitled to award of all royalties which should have been made to the Plaintiffs, but that were not made.

55. Plaintiffs request that this Court cause to be recorded in the records of Guernsey County a certified copy of the Judgment or Decree declaring the rights of the parties pursuant to R.C. 5303.06.

58. Plaintiffs have fully performed under the assignment creating the Plaintiffs' ORRI and the Sound Energy Leases.

59. Ascent has breached the parties' contract by entering into the Ascent Leases and by obtaining the Carrizo Leases.

60. Ascent's refusal to recognize that the Plaintiffs' ORRI is valid and enforceable as to all of the Sound Energy Leases, the Carrizo Leases, and the Ascent Leases constitutes a breach of contract.

61. Ascent's refusal to recognize that the Plaintiffs' ORRI is valid and enforceable as to all of the Sound Energy Leases, the Carrizo Leases, and the Ascent Leases contained within the Well Units constitutes a breach of contract.

62. Plaintiffs are entitled to a full accounting of all revenue generated from the Sound Energy Leases, Carrizo Leases, Ascent Leases, and Well Units and are entitled to an award of any and all payments that Ascent should have made relating to the Plaintiffs' ORRI, but that Ascent failed to make.

63. As a direct and proximate result of Ascent's breach or breaches, Plaintiffs have been damaged in an amount which exceeds \$25,000, to be determined at trial. Plaintiffs are further entitled to an award of an accounting for all revenue generated from the Sound Energy Leases, Carrizo Leases, Ascent Leases, and Well Units and an award of any and all royalties which are due and payable to Plaintiffs, including past due royalties.

COUNT THREE

(Breach of Contract - Carrizo)

69. As a direct and proximate result of Carrizo's breach or breaches, Plaintiffs have been damaged in an amount which exceeds \$25,000, to be determined at trial. Plaintiffs are further entitled to an award of an accounting for all revenue generated from the Sound Energy Leases, Carrizo Leases, Ascent Leases, and Well Units and an award of any and all royalties which are due and payable to Plaintiffs, including past due royalties.

COUNT FOUR

(Slander of Title - Ascent)

70. Plaintiffs reallege and fully incorporate all allegations in this First Amended Complaint as if fully rewritten herein.

71. As detailed above, Ascent has filed and/or has caused the filing of certain documents which contain false statements relative to the Sound Energy Leases and the Plaintiffs' ORRI and those false statements disparage and defame Plaintiffs' title to the Sound Energy Leases and the Plaintiffs' ORRI.

72. Ascent's false statements were made with malice and/or reckless disregard of their falsity, as evidenced by, among other things, the plain language of the Sound Energy

Leases, the plain language of the assignment creating the Plaintiffs' ORRI, and Ascent's knowledge as to the existence of the Plaintiffs' ORRI and the Sound Energy Leases.

73. Ascent's false statements and actions have caused Plaintiffs to suffer actual and special damages, including, but not limited to, lost income from production under the Sound Energy Leases, Carrizo Leases, and the Ascent Leases, attorneys' fees, and costs associated with this action.

74. Plaintiffs request that they be awarded their actual and special damages from Ascent, in an amount which exceeds \$25,000, to be determined at trial.

75. Ascent's conduct was intentional and deliberate and was committed with actual malice and/or a reckless disregard of Plaintiffs' rights, such that Plaintiffs should be awarded punitive damages and attorneys' fees.

80. Ascent intentionally sought and/or procured the breach of those business relationships and contracts by their conduct described herein.

81. As a direct and proximate result of Ascent's tortious interference, Plaintiffs suffered damages in an amount which exceeds \$25,000, to be determined at trial.

82. Ascent's conduct was intentional and deliberate and was committed with actual malice and/or a reckless disregard of Plaintiffs' rights, such that Plaintiffs should be awarded punitive damages and attorneys' fees.

93. As a direct and proximate result of Defendants' unjust enrichment, Plaintiffs have been damaged in an amount which exceeds \$25,000, to be determined at trial.

PRAYER FOR RELIEF

2. A full accounting under the terms detailed in Count One and an award of any and all payments which are due and payable to the Plaintiffs;

**PARTIAL ASSIGNMENT OF OIL AND GAS
OVERRIDING ROYALTY INTEREST**

By this assignment (the "Assignment"), the undersigned **SOUND ENERGY COMPANY, INC.**, an Ohio corporation ("Assignor"), with an address of P. O. Box 306, 3632 St. Rt. 800 NE, Dover, Ohio 44622, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, does hereby grant, assign, convey and set over unto each of the Assignees (as defined below and in the amount set forth below) an overriding royalty interest (the "Overriding Royalty Interests") in and to the oil and gas leases described on Exhibit A and any replacement or substitutes therefor (the "Leases"), limited to and only insofar as such relates to or includes the Geologic Formation (as defined below), and subject to the terms and conditions provided below.

The entire and total Overriding Royalty Interests are payable out of all oil, gas and associated hydrocarbons produced, saved and sold, on a lease by lease basis, from the Leases and shall be equal to the difference between (i) twenty percent (20%) and (ii) the sum of all burdens existing on a Lease including, without limitation, royalty, overriding royalty, net profits interests, and other similar interests of record affecting or burdening the working interest in any given lease conveyed hereby as of the effective date hereof. For example, if a lease is subject to a 12.5% landowner royalty and an additional 2.5% existing overriding royalty, then the Overriding Royalty Interest subject to this Assignment will be 5% (20% less (12.5% + 2.5%)). Should the burdens of record affecting or burdening the working interest in such lease being conveyed as of the effective date equal or exceed twenty percent (20%), there shall be no overriding royalty interest conveyed by this Assignment.

The Assignees are listed under the heading "Assignee" below, and each Assignee shall receive an Overriding Royalty Interest in each Lease in an amount equal to the Overriding Royalty Interest in that Lease multiplied by the fraction as set forth below under the heading "Overriding Royalty Interest":

Assignee	Overriding Royalty Interest
Bruce A. Levensgood	2/5 of the Overriding Royalty Interest
Robert F. Timmerman	1/10 of the Overriding Royalty Interest
Michael L. Demattio	1/6 of the Overriding Royalty Interest
Charles A. Baker	1/6 of the Overriding Royalty Interest

or performance by Lessee for a period of time equal to any such delay, postponement or interruption, unless earlier terminated in accordance with the terms and provisions of the Lease; or (vi) as extended by any other provision of the Lease (the items enumerated in (i) to (vi), the "Secondary Term Conditions"). Notwithstanding the foregoing, the Lease shall become null and void, and be of no further force and effect, if the Effective Date occurs on a date later than five years from the Execution Date of the Lease. For avoidance of doubt, in the event of any Partial Release of the Leasehold Premises (as defined below), the Effective Date of the Lease shall not be deemed to occur until the last remaining portion(s) of the Leasehold Premises become unencumbered by the Base Lease, and the Lease shall then apply only to those portions of the Leasehold Premises for which Lessee has not received an Option Notice (as defined below). The Primary Term of the Lease may be extended by the period of time between the Lessor's or Lessee's receipt of an Expiration Notice as provided for in the Lease, as applicable, and the Effective Date.

The Lease further provides that Lessor has granted to Lessee a present, recurring, and exclusive first right and option to lease any portion(s) of the Leasehold Premises that may become unencumbered by the Base Lease after the signing of the Lease as the result of a Partial Release (the "Option"). As used herein, a "Partial Release" shall mean any expiration, termination, cancellation, surrender, release, forfeiture, or other occurrence such that the Base Lease is of no further force and effect as to less than the entirety of the Leasehold Premises. Upon each such Partial Release, Lessor shall give Lessee written notice of the same, or Lessee may give Lessor written notice of the same, stating that a Partial Release has occurred, and identifying the portion(s) of the Leasehold Premises made unencumbered by the Base Lease as a result (an "Option Notice"). Lessee may exercise the Option, in its sole and absolute discretion, by notifying Lessor within 60 days of Lessee's receipt or tender of such Option Notice, as may be applicable, that Lessee wishes to exercise the Option. The Option period shall commence as of the Execution Date of the Lease and continue in effect for five years, unless the Lease is surrendered earlier. Any lease granted by Lessor to a party other than Lessee in violation of the foregoing Option shall be null and void. To the extent that Lessee fails to exercise its Option as to all or part of the Leasehold Premises identified in an Option Notice, then such portion(s) of the Leasehold Premises shall be released from the Lease.

The Lease further provides that Lessee has the option to extend the Primary Term of the Lease for a period of three (3) years. Should this option be exercised, it shall be considered for all purposes as though the Lease originally provided for a Primary Term consisting of eight (8) years. In the event the Lease is being maintained by any other Lease provision(s) at the expiration of the original Primary Term, Lessee shall have a period of sixty (60) days from the date the Lease ceases to be so maintained within which to exercise this option.

Any capitalized terms that are not defined herein shall have the meaning given to such terms in the Lease. In the event of a conflict between any of the terms and conditions contained in this Memorandum and the terms and conditions contained in the Lease, the terms and provisions contained in the Lease shall be controlling.

IN WITNESS WHEREOF, the parties hereto have caused this Memorandum of Oil and Gas Lease to be executed on November 30th, 2016.

by Lessee for a period of time equal to any such delay, postponement or interruption, unless earlier terminated in accordance with the terms and provisions of the Lease; or (vi) as extended by any other provision of the Lease (the items enumerated in (i) to (vi), the "Secondary Term Conditions"). Notwithstanding the foregoing, the Lease shall become null and void, and be of no further force and effect, if the Effective Date occurs on a date later than five years from the Execution Date of the Lease. For avoidance of doubt, in the event of any Partial Release of the Leasehold Premises (as defined below), the Effective Date of the Lease shall not be deemed to occur until the last remaining portion(s) of the Leasehold Premises become unencumbered by the Base Lease, and the Lease shall then apply only to those portions of the Leasehold Premises for which Lessee has not received an Option Notice (as defined below). The Primary Term of the Lease may be extended by the period of time between the Lessor's or Lessee's receipt of an Expiration Notice as provided for in the Lease, as applicable, and the Effective Date.

The Lease further provides that Lessor has granted to Lessee a present, recurring, and exclusive first right and option to lease any portion(s) of the Leasehold Premises that may become unencumbered by the Base Lease after the signing of the Lease as the result of a Partial Release (the "Option"). As used herein, a "Partial Release" shall mean any expiration, termination, cancellation, surrender, release, forfeiture, or other occurrence such that the Base Lease is of no further force and effect as to less than the entirety of the Leasehold Premises. Upon each such Partial Release, Lessor shall give Lessee written notice of the same, or Lessee may give Lessor written notice of the same, stating that a Partial Release has occurred, and identifying the portion(s) of the Leasehold Premises made unencumbered by the Base Lease as a result (an "Option Notice"). Lessee may exercise the Option, in its sole and absolute discretion, by notifying Lessor within 60 days of Lessee's receipt or tender of such Option Notice, as may be applicable, that Lessee wishes to exercise the Option. The Option period shall commence as of the Execution Date of the Lease and continue in effect for five years, unless the Lease is surrendered earlier. Any lease granted by Lessor to a party other than Lessee in violation of the foregoing Option shall be null and void. To the extent that Lessee fails to exercise its Option as to all or part of the Leasehold Premises identified in an Option Notice, then such portion(s) of the Leasehold Premises shall be released from the Lease.

The Lease further provides that Lessee has the option to extend the Primary Term of the Lease for a period of three (3) years. Should this option be exercised, it shall be considered for all purposes as though the Lease originally provided for a Primary Term consisting of eight (8) years. In the event the Lease is being maintained by any other Lease provision(s) at the expiration of the original Primary Term, Lessee shall have a period of sixty (60) days from the date the Lease ceases to be so maintained within which to exercise this option.

Any capitalized terms that are not defined herein shall have the meaning given to such terms in the Lease. In the event of a conflict between any of the terms and conditions contained in this Memorandum and the terms and conditions contained in the Lease, the terms and provisions contained in the Lease shall be controlling.

IN WITNESS WHEREOF, the parties hereto have caused this Memorandum of Oil and Gas Lease to be executed on December 2, 2016.

Each Party hereby agrees to execute, acknowledge and deliver to the other Party, from time to time, such other and additional instruments, notices, division orders, transfer orders and other documents, and to do all such other and further acts and things as may be reasonably necessary to more fully and effectively carry out this Assignment and the transactions contemplated hereby, including the execution and delivery of any corrective amendments to this Assignment.

5.3 Governmental Form Assignments. Assignor and Assignee may execute separate governmental form assignments of the Assets, if required by applicable Law, on officially approved forms in sufficient counterparts to satisfy applicable statutory and regulatory requirements. Any such separate assignments (a) shall evidence this Assignment and assignment of the applicable Assets herein made and shall not constitute any additional assignment of the Assets, (b) are not intended to modify, and shall not modify, any of the terms, covenants and conditions or limitations on warranties set forth in this Assignment or the Purchase Agreement and are not intended to create, and shall not create, any additional representations, warranties or covenants of or by Assignor or Assignee, and (c) shall be deemed to contain all of the terms and provisions of this Assignment, as fully and to all intents and purposes as though the same were set forth at length in such separate assignments.

5.4 Recording. Unless provided otherwise, all recording references in the Exhibits hereto are to the official real property records of the county in which the respective Asset is located.

5.5 Exhibits. All Exhibits and Schedules attached to this Assignment constitute a part of this Assignment. References in this Assignment to articles, sections, exhibits and schedules are to articles, sections, exhibits and schedules of this Assignment unless otherwise specified.

5.6 Amendments. This Assignment may be amended only by an instrument in writing executed by both Parties. Any of the terms, covenants, representations, warranties or conditions hereof may be waived only by a written instrument executed by or on behalf of the party hereto waiving compliance.

5.7 Counterpart Signatures. This Assignment may be executed and delivered in one or more counterparts, each of which when executed and delivered shall be an original, and all of which when executed shall constitute one and the same instrument. To facilitate recordation, there are omitted from the Exhibits to this Assignment in certain counterparts descriptions of the Assets located in recording jurisdictions other than the jurisdiction in which the counterpart is to be filed or recorded. A complete copy of this Assignment, including all of the Exhibits, may be found at the offices of Assignee as set forth in the preamble hereto.

5.8 Severability. If any term or other provision of this Assignment is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Assignment shall nevertheless remain in full force and effect. Upon the determination that any term or provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Assignment so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

5.9 Successors and Assigns. The terms and provisions of this Assignment shall be binding upon and inure to the benefit of Assignor and Assignee and their respective legal representatives, successors and assigns.

5.10 Governing Law. This Assignment and the legal relations among the parties shall be governed and construed in accordance with the laws of the State of Texas (except that, with respect to issues relating to real property for Assets located in the State of Ohio, the laws of the State of Ohio shall govern solely to such extent), excluding any conflicts of law rule or principle that might refer construction of such provisions to the laws of another jurisdiction.
